The Yague Holographic Healing group session is coming up!

Get Your Instruction!

The Yague Holographic Healing group session is approaching, and I would like to share some important details to help you make the most of this experience.

Preparation:

- Find a quiet and comfortable space where you can truly connect with yourself.
- Drink some water before and after the session to support the integration of the energy.
- Arrive with a clear intention: this is a time for you, to open yourself to your own healing process.
